

Activity/ Situation	WIDER OPENING OF SCHOOL FROM SEPTEMBER 2020			
Location	 Danesgate Community			
Persons at Risk	Pupils ☒	Employees☒	Visitors ☒	Contractors ☒
HAZARD(S)	<p><i>Note: this list is not exhaustive and must be adapted for your own needs</i></p> <ul style="list-style-type: none"> ✗ Contact Between Individuals Not Minimised and Social Distancing Measures Not Followed ✗ Social Distancing Measures Not Followed During Travel to and from School ✗ Inadequate Cleaning/Sanitising ✗ Shared Resources ✗ Staffing & Spread of Coronavirus to Staff, Pupils and Families, Visitors and Contractors ✗ Site User Becoming Unwell ✗ Site User Developing Symptoms ✗ Inadequate Hand Washing/Personal Hygiene ✗ Inadequate Personal Protection & PPE ✗ Visitors, Contractors & Spread of Coronavirus ✗ Inadequate Ventilation 			
CONTROL MEASURES	ADDITIONAL INFORMATION	YES	NO	N/A
<p><i>Note: you must amend and adapt this generic risk assessment to suit your own needs by selecting the controls from the examples provided (adding and amending others where necessary) and then evaluate the overall risk for the activity/situation.</i></p>				
<p>Contact Between Individuals Not Minimised and Social Distancing Measures Not Followed</p>				
<p>Consistent groups are in place which reduces the risk of transmission by limiting the number of pupils and staff in contact with each other to only those within the group</p>	<p>Details;- Bubbles established (3) in order to minimise staff interaction with pupils and pupil interaction with other pupils.</p> <p>Groups to be located in base rooms, in order to minimise contact in other areas of the school</p>	☒	☐	☐
<p>The school keeps a record of pupils and staff in each group, and any close contact that takes places between children and staff in different groups</p>	<p>As per timetable this will be tracked where necessary. Attendance registers are kept and movement between areas is tracked via timetable.</p>	☒	☐	☐
<p>Primary schools may be able to implement groups that are the size of a full class. If that</p>	<p>Year group sized “bubble” in place for</p>	☒	☐	☐

can be achieved, it is recommended, as this will help to reduce the number of people who could be asked to isolate should someone in the group become ill with coronavirus (COVID-19).	primary pupils, other year group bubbles are grouped by SEND need, in order to minimise mixing of different cohorts.			
In the younger years in Secondary Schools (key stage 3), schools may be able to implement groups that are the size of a full class. If that can be achieved, it is recommended, as this will help to reduce the number of people who could be asked to isolate should someone in group become ill with coronavirus (COVID-19).	Year group bubbles are grouped by SEND need, in order to minimise mixing of different cohorts.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In Secondary Schools, and certainly in the older age groups at key stage 4 and key stage 5, the groups are likely to need to be the size of a year group to enable schools to deliver the full range of curriculum subjects and students to receive specialist teaching. If this can be achieved with small groups, they are recommended	Subject specific, specialist lessons delivered to small groups across the bubbles. External skills buy-in pupils will be admitted to Danesgate at present, but in order to minimise risk of mixing of alien bubbles the pupils will be on a "one day, one site" arrangement as per CYC guidance..	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where staff or children cannot maintain distancing, particularly with younger children in primary schools, the risk is reduced by keeping pupils in the class-sized groups	Social distancing achieved through small groups (8-10 pupils max). Full PPE equipment available for primary and all staff, where social distancing cannot be maintained.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Whatever the size of the group, they are kept apart from other groups and older children are encouraged to keep their distance within their groups	In line with guidance bubbles will be adhered to. Lunch and break times will be taken in bubbles and separate to other pupils and staff	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools with the capability to do it should take steps to limit interaction, sharing of rooms and social spaces between groups as much as possible	Groups to be based in base rooms for all lessons except for specialist teaching lessons	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
It is recognised that younger children will not be able to maintain social distancing, and it is acceptable for them not to distance within their group	This may also be the case for pupils with recognised SEND needs. PPE	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	equipment available for primary and all staff, where social distancing cannot be maintained. Primary groups have bespoke timetables allowing for outdoor education at least one day per week.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools keep children in their class groups for the majority of the classroom time, but also allow mixing into wider groups for specialist teaching, wraparound care and transport	Pupils will wear face coverings in transport in line with CYC guidelines. Groups to be adhered to except for practical subjects.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Boarding pupils can be in one group residentially and another during the school day	n/a	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
It is accepted that boarding pupils will mix during sociable time	n/a	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Siblings may be in different groups	Where necessary	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Teachers and other staff operate across different classes and year groups in order to facilitate the delivery of the school timetable	Timetable has been adapted to ensure this is the case.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where staff need to move between classes and year groups, they should keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults	Teacher desks are positioned appropriately, cordoned off with 2M social distancing	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where possible adults maintain a 2 metre distance from each other, and from children	Teacher desks are positioned appropriately, cordoned off with 2M social distancing. Classrooms are appropriately set out to ensure maximum distancing	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Adults avoid close face to face contact and limit time spent within 1 metre of anyone to less than 15 minutes duration	Social distancing measures are in place. PPE is provided for staff (optional). Staff are advised of social distancing protocols.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Within the classroom a distance between people is maintained so far as reasonably practical	It is accepted that distancing may not be possible in primary schools. Rooms are set up appropriately to ensure maximum distancing. Outside learning	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	opportunities are encouraged.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Face to face contact time is reduced and limited to no more than 15 minutes duration	No 1:1 home visits are currently allowed for staff. Staff working 1:1 should ensure 2M social distancing and consider wearing PPE where necessary. Staff have extra PPA timetabled to enable fewer teaching hours. Outside learning is also encouraged where appropriate.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils are seated side by side and facing forwards, rather than face to face or side on	Classrooms are set up appropriately, teacher areas and desks are taped off.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff will work side on to pupils as opposed to face to face whenever possible	For personalised learning this is encouraged with appropriate rooming.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Educational and care support is provided as normal to pupils who have complex needs or who need close contact care	PPE is provided for staff (optional) to this purpose. Where Team Teach is used, staff are advised to sanitise and clean immediately. Face visors are available in each room.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Unnecessary furniture has been moved out of classrooms to make more space	Undertaken over summer. Any additional superfluous furniture to be flagged up by staff in order to be moved.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Large gatherings such as assemblies or collective worship with more than one group do not take place		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
The timetable and selection of classroom or other learning environment has been used to reduce movement around the school or building	This has been remodelled over the summer. Staff to flag up suggestions for improvement once timetable is running. Groups remain in base rooms and move for only specialist learning. Bubbles	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	remain in specific areas.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to staggered starts or adjusting start and finish times to keep groups apart as they arrive and leave school	The first hour of the day enables staggered start times (8.30-9.30am), spreading the traffic and footfall of pupils at key and busy times. The exit at 1.30 provides similar with taxis arriving at staggered times.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Parents' drop-off and pick-up protocols planned to minimise adult to adult contact	In place re. transport staggered start times.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Parents and pupils are told their allocated drop off and collection times and the process for doing so, including protocols for minimising adult to adult contact (for example, which entrance to use)	Achieved through transport arrangements.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
It is made clear to parents that they cannot gather at entrance gates or doors, or enter the site (unless they have a pre-arranged appointment, which should be conducted safely)		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
External entrances to classrooms are used where practical	Can be achieved in Danesgate building & Skills building, but not in kestrels and Bridge.	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Break times are staggered so that all pupils are not moving around the school at the same time	Breaks take place at different times for each teaching group.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lunch breaks are staggered	Lunchtimes are spent in base rooms, to ensure no mixing of bubbles. Staff collect food and deliver to pupils in base rooms	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Numbers of staff using Staff Room are limited or the use of Staff Room is staggered	Staff Room limited to 5 members of staff.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
During PE lessons pupils should be kept in consistent groups, sports equipment thoroughly cleaned between each use by different individual groups, and contact sports avoided.	Spray cleaner is provided for PE equipment, socially-distanced sports are taught. Contact sports not taught.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Outdoor sports are prioritised where possible, and large indoor spaces used where it is not, maximising distancing between pupils and paying scrupulous attention to cleaning and hygiene	Schools should refer to the following advice: guidance on the phased return of sport and recreation and guidance from	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<p>Sport England for grassroots sport</p> <p>advice from organisations such as the Association for Physical Education and the Youth Sport Trust</p> <p>Numbers in sports hall are appropriate to the size of group, Main points for PE:</p> <p>No contact sports, where possible</p> <p>Cleaning of equipment after use (aerosols), or limiting equipment to each bubble's use</p> <p>No changing rooms to be used</p> <p>Outdoor PE where possible/appropriate</p>			
Social Distancing Measures Not Followed During Travel to and from School				
Parents and pupils are encouraged to walk or cycle to their education setting where possible		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Schools, parents and pupils following the government guidance on how to travel safely, when planning their travel on public transport	safer travel guidance for passengers as circulated by CYC	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Face coverings are required at all times on public transport for children, over the age of 11	Danesgate exempt, optional face coverings encouraged.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Inadequate Cleaning/Sanitising				
A cleaning schedule that ensures cleaning is generally enhanced and includes more frequent cleaning of rooms / shared areas that are used by different groups is in place	Round the clock cleaner in place throughout the school day	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Surfaces that pupils are touching, such as toys, books, desks, chairs, doors, sinks, toilets, light switches, bannisters etc. are cleaned more often than normal	Part of deep clean cleaner schedule. Also staff encouraged to clean high-traffic areas	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	and personal spaces before and after use.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Electronic entry systems and keypads are regularly sanitised particularly first thing in the morning and where possible after each use	Part of daily routine and deep clean schedule.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Bins for tissues and other rubbish are emptied throughout the day	Part of round the clock cleaning schedule	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Stocks of cleaning chemicals, liquid soap, paper towels, tissues, toilet roll, bin bags etc. regularly checked and additional supplies requested as necessary	Admin team responsible for re-stocking. Staff to contact where additional supplies are needed, checked daily.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to how play equipment is used ensuring it is appropriately cleaned between groups of children using it	Aerosol sprays provided and spray cleaner provided. Play equipment to remain in bubbles (eg. primary)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Shared Resources				
For individual and very frequently used equipment, such as pencils and pens, it is recommended that staff and pupils have their own items that are not shared	Individual stationery packs provided centrally, carried around by staff throughout the day and labelled.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Classroom based resources, such as books and games, can be used and shared within the bubble; these are cleaned regularly, along with all frequently touched surfaces	As per cleaning schedule	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Resources that are shared between classes or bubbles, such as sports, art and science equipment should be cleaned frequently and meticulously and always between bubbles, or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles	Equipment is cleaned down after use in practical subjects	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils can bring essentials such as lunch boxes, hats, coats, books, stationery, bags and mobile phones (depending on school policy) in to school	Stationery and lunch is provided	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Pupils and teachers can take books and other shared resources home, although unnecessary sharing should be avoided, especially where this does not contribute to pupil education and development. Rules on hand cleaning, cleaning of the resources and rotation apply to these resources	Teachers not required to mark physically at home, may do so in school. Verbal feedback encouraged and virtual work to be emailed/marked.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Devices/ laptops/tablets etc. that are brought from home to school and back again are cleaned at the start and end of the day		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Staffing & Spread of Coronavirus to Staff, Pupils and Families, Visitors and Contractors

<p>Contact with individuals who are unwell is minimised by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school</p>	<p>Ensuring that pupils, staff and other adults do not come into the school if they have coronavirus (COVID-19) symptoms, or have tested positive in the last 7 days, and ensuring anyone developing those symptoms during the school day is sent home, are essential actions to reduce the risk in schools and further drive down transmission of coronavirus (COVID-19). Parent have been contacted regarding this 3/9/20.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Staff with specific health conditions who fall within the clinically extremely vulnerable category and have been shielding, are advised to stay at home as much as possible. If working from home is not possible, they may be asked to return to work from 1st August. Consideration should first be given to roles in school where it is possible to maintain social distancing. Returning is subject to an individual risk assessment and being able to maintain social distancing as much as possible</p>	<p>Clinically extremely vulnerable</p> <p>Individual risk assessments are needed and guidance must be sought. Applied where necessary/appropriate</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Staff who are in the clinically vulnerable group can work in school, subject to an individual risk assessment and being able to maintain social distancing as much as possible</p>	<p>Clinically-vulnerable people</p> <p>Individual risk assessments are needed and guidance must be sought. On an individual basis.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Where it is necessary to use supply staff and peripatetic teachers, those individuals will be expected to comply with the school's arrangements for managing and minimising risk, including taking particular care to maintain distance from other staff and pupils</p>	<p>Consider longer engagement of supply staff to minimise movement between sites. One member of supply staff being used and COVID induction is in place.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Access to PPE should be available where there is contact with diagnosed or suspected person with covid-19	See Inadequate Personal Protection & PPE section of this risk assessment. PPE provided as standard.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Site User Becoming Unwell				
If anyone in the school becomes unwell with a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia), they must be sent home and advised to follow the guidance which sets out that they must self-isolate for at least 7 days and should arrange to have a test to see if they have coronavirus (COVID-19). Other members of their household (including any siblings) should self-isolate for 14 days from when the symptomatic person first had symptoms	stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection Shared with staff on Training Day 7/9/20	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If a pupil is awaiting collection, they should be moved, if possible, to a room where they can be isolated behind a closed door, depending on the age of the Pupils and with appropriate adult supervision if required. Ideally, a window should be opened for ventilation.	If it is not possible to isolate them, move them to an area which is at least 2 metres away from other people. SLT offices to be used for this purpose	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If the pupil needs to go to the toilet while waiting to be collected, they should use a separate toilet if possible. The toilet should be cleaned and disinfected using standard cleaning products before being used by anyone else	Disabled toilet in main reception to be used for this purpose, then locked until cleaned	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
PPE should be worn by staff caring for the pupil while they await collection if a distance of 2 metres cannot be maintained (such as for a very young pupil or a pupil with complex needs)	See Inadequate Personal Protection & PPE section of this risk assessment. PPE provided as standard	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If a child in a boarding school shows symptoms, they should initially self-isolate in their residential setting household. Most children will benefit from self-isolating in their boarding house so that their usual support can continue. Others will benefit more from self-isolating in their family home	guidance on isolation for residential educational settings.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
In an emergency, call 999 if the pupil is seriously ill or injured or their life is at risk. Anyone with coronavirus (COVID-19) symptoms should not visit the GP, pharmacy, urgent care centre or a hospital		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Any members of staff who have helped someone with symptoms and any pupils who		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

have been in close contact with them do not need to go home to self-isolate unless they develop symptoms themselves (in which case, they should arrange a test) or if the symptomatic person subsequently tests positive or they have been requested to do so by NHS Test & Trace.				
Everyone must wash their hands thoroughly for 20 seconds with soap and running water or use hand sanitiser after any contact with someone who is unwell		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The area around the person with symptoms must be cleaned with normal household disinfectant after they have left to reduce the risk of passing the infection on to other people	COVID-19: cleaning of non-healthcare settings guidance	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Site User Developing Symptoms				
Schools must ensure that staff members and parents/carers understand that they will need to be ready and willing to book a test if they are displaying symptoms. Staff and pupils must not come into the school if they have symptoms, and must be sent home to self-isolate if they develop them in school. All children can be tested, including children under 5, but children aged 11 and under will need to be helped by their parents/carers if using a home testing kit	Explained to staff on INSET Day 7/9/20 and in letter to parents 3/9/20. School has self-testing kits also	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools must ensure that staff members and parents/carers understand that they will need to be ready and willing to provide details of anyone they have been in close contact with if they were to test positive for coronavirus (COVID-19) or if asked by NHS Test & Trace	Explained to staff on INSET Day 7/9/20 and in letter to parents 3/9/20.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools must ensure that staff members and parents/carers understand that they will need to be ready and willing to self-isolate if they have been in close contact with someone who develops coronavirus (COVID-19) symptoms or someone who tests positive for coronavirus (COVID-19)	Explained to staff on INSET Day 7/9/20 and in letter to parents 3/9/20.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Parents and staff are asked to inform the school immediately of the results of a test	Explained to staff on INSET Day 7/9/20 and in letter to parents 3/9/20.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If someone tests negative, if they feel well and no longer have symptoms similar to coronavirus (COVID-19), they can stop self-isolating. They could still have another virus, such as a cold or flu – in which case it is still best to avoid contact with other people until they are better. Other members of their household can stop self-isolating	Explained to staff on INSET Day 7/9/20 and in letter to parents 3/9/20.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

<p>If someone tests positive, they should follow the ‘stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection’ and must continue to self-isolate for at least 7 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste. This is because a cough or anosmia can last for several weeks once the infection has gone. The 7-day period starts from the day when they first became ill. If they still have a high temperature, they should keep self-isolating until their temperature returns to normal. Other members of their household should continue self-isolating for the full 14 days</p>	<p>Schools must take swift action when they become aware that someone who has attended has tested positive for coronavirus (COVID-19). Schools should contact the local health protection team. This team will also contact schools directly if they become aware that someone who has tested positive for coronavirus (COVID-19) attended the school – as identified by NHS Test and Trace</p>		<input type="checkbox"/>	<input type="checkbox"/>
<p>Schools send home those people who have been in close contact with the person who has tested positive, advising them to self-isolate for 14 days since they were last in close contact with that person when they were infectious</p>	<p>Close contact means: direct close contacts - face to face contact with an infected individual for any length of time, within 1 metre, including being coughed on, a face to face conversation, or unprotected physical contact (skin-to-skin) proximity contacts – extended close contact (within 1 to 2 metres for more than 15 minutes) with an infected individual travelling in a small vehicle, like a car, with an infected person</p>		<input type="checkbox"/>	<input type="checkbox"/>
<p>Public Health England is clear that routinely taking the temperature of pupils by the school is not recommended as this is an unreliable method for identifying coronavirus (COVID-19) so this does not take place</p>			<input type="checkbox"/>	<input type="checkbox"/>
<p>Inadequate Hand Washing/Personal Hygiene</p>				

<p>Staff/pupils/cleaners/contractors etc. will be reminded to clean their hands regularly, including when they arrive at school, when they return from breaks, when they change rooms and before and after eating</p>	<p>Ensure that staff have sufficient time to wash their hands regularly, as frequently as pupils. Signs are in place reminding pupils and staff to clean and time is built into the day to this end.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Hands are washed with liquid soap & water for a minimum of 20 seconds</p>	<p>Hand sanitiser is also available, where sinks are not available.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>The school has considered whether they have enough hand washing or hand sanitiser 'stations' available so that all pupils and staff can clean their hands regularly</p>	<p>This is risk assessed and hand sanitiser is provided.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Alcohol based hand cleansers/gels (containing at least 60% alcohol) can only be used if soap and water are not available, but is not a substitute for hand washing. Such gels MUST ONLY BE USED UNDER CLOSE SUPERVISION. In normal circumstances pupils should not be using alcohol based hand cleansers because of the risk of ingestion.</p>	<p>Skin friendly skin cleaning wipes can be used as an alternative. Individual COSHH risk assessment is also in place.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>The 'catch it, bin it, kill it' approach is very important and is promoted</p>	<p>CATCH IT  <small>Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.</small></p> <p>BIN IT  <small>Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.</small></p> <p>KILL IT  <small>Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.</small></p> <p></p> <p>Displayed on ASC/SEND-Friendly posters around the school site.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Disposable tissues are available in each room for both staff and pupil use</p>	<p>Provided rolls of tissue in each teaching area.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Bins (ideally lidded pedal bins) for tissues are available in each room</p>	<p>Bins provided and emptied regularly as per cleaning schedule.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<p>Risk assessments for pupils with complex needs that may struggle to maintain as good respiratory hygiene as their peers, for example those who spit uncontrollably or use saliva as a sensory stimulant, have been updated in order to support these pupils and the staff working with them</p>	<p>To be put in place for pupils as per need and presentation.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Inadequate Personal Protection & PPE				
Face coverings are not use in school as pupils and staff are mixing in consistent groups, and because misuse may inadvertently increase the risk of transmission. There may also be negative effects on communication and thus education	PPE provided as standard for staff (optional) Face coverings Visors Aprons gloves	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
PPE will need to be worn by a member of staff if a pupil becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home. A face mask should be worn by the supervising adult if a distance of 2 metres cannot be maintained. If contact with the pupil is necessary, then gloves, an apron and a face mask should be worn by the supervising adult. If there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn	safe working in education, childcare and children's social care	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils and staff who use them are required to remove face coverings on arrival at school	As per CYC guidance this is discretionary and pupils wearing face coverings due to anxiety will be allowed to do so.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils are instructed not to touch the front of their face covering during use or when removing face coverings	As per donning and doffing guidelines, this is expected	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils that arrive wearing a face covering must remove it, must wash their hands immediately on arrival (as is the case for all pupils), dispose of temporary face coverings in a covered bin or place reusable face coverings in a plastic bag they can take home with them, and then wash their hands again before heading to their classroom	Pupils required to wash hands on entry to school and periodically throughout the day. Face coverings to be disposed of in PPE clinical waste bins.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Visitors, Contractors & Spread of Coronavirus				
All visitors and contractors must make pre-arranged appointments or they will not be allowed on site	This is also extended to professional partners and practitioners (eg. social workers, CAMHS, Ed Pscyh)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
School ensures site guidance on physical distancing and hygiene is explained to visitors and contractors on or before arrival	Expectations are explained to visitors on site be reception team	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Where visits can happen outside of school hours, they are arranged as such	Virtual meetings are the norm, eg. EHCP meetings, or in the afternoons when the bubbles have departed and risk of transmission is minimal.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Contractors to attend by agreement only after school have satisfied themselves that it is necessary for the visit to take place at that time and that all required controls are in place to allow the work to continue safely	Contractors not allowed on site when pupils are in attendance and are limited to areas required to work. PPE to be worn and controls to be in place via Sewell's.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Contractors to provide updated risk assessment prior to visit which includes their own controls round infection spread prevention	Times of visits may need to be adapted to take in to account the ability to maintain appropriate social distancing measures and availability of resources to effectively clean following the visits	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
A record is kept of all visitors	As per reception team and safeguarding practices.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Inadequate Ventilation				
Ventilate spaces with outdoor air	Windows and doors to be opened, where possible	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where possible, occupied room windows should be open.	Windows and doors to be opened, where possible	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Keep toilet ventilation in operation as much as possible while building is occupied	Windows to be opened, where possible	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Switch air handling units with recirculation to 100% outdoor air where this is not possible, systems are operated as normal		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Prop doors open, where safe to do so (bearing in mind fire safety and safeguarding), to limit use of door handles and aid ventilation	Fire doors must not be propped open unless they have a self-closing hold open device fitted	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Have you consulted with the people/representatives undertaking the activity as part of the preparation of this risk assessment		Yes <input checked="" type="checkbox"/>		No <input type="checkbox"/>

What is the level of risk for this activity/situation with existing control measures	High <input type="checkbox"/>	Med <input type="checkbox"/>	Low <input checked="" type="checkbox"/>
Is the risk adequately controlled with existing control measures	Yes <input checked="" type="checkbox"/>		No <input type="checkbox"/>
Have you identified any further control measures needed to control the risk and recorded them in the action plan	Yes <input type="checkbox"/>		No <input checked="" type="checkbox"/>
ACTION PLAN (insert additional rows if required)	To be actioned by		
Further control measures to reduce risks <i>so far as is reasonably practicable</i>	Name	Date	
State overall risk level assigned to the task AFTER implementation of control and action plan measures taken as a result of this risk assessment	High <input type="checkbox"/>	Med <input type="checkbox"/>	Low <input checked="" type="checkbox"/>
Is such a risk level deemed to be as low as reasonably practical?	Yes <input checked="" type="checkbox"/>		No <input type="checkbox"/>
Is activity still acceptable with this level of risk?	Yes <input checked="" type="checkbox"/>		No <input type="checkbox"/>
If no, has this been escalated to senior leadership team?	Yes <input type="checkbox"/>		No <input type="checkbox"/>
Assessor(s):	M Richardson	Signature(s):	
Position(s):	Head Teacher		
Date:	5/9/20	Review Date:	weekly
Distribution: All staff, parents via website, CYC			

Risk rating	Action
HIGH	Urgently review/add controls & monitor, notify H&S Team (if Likely or Highly Likely – stop work, seek competent advice)
MEDIUM	Review/add controls (as far as reasonably practicable) & monitor
LOW	Monitor control measures

POTENTIAL OUTCOME		LIKELIHOOD		POTENTIAL OUTCOME					
Catastrophic	Fatal injury/permanent disability	Highly likely	More likely to occur	Catastrophic					
Major	RIDDOR reportable Specified Injury/Disease/Dangerous Occurrence	Likely	↓	Major					
Moderate	RIDDOR reportable over 7 day injury	Possible		Moderate					
Minor	Minor injury (requiring first aid)	Unlikely	Less likely to occur	Minor					
Insignificant	Minor injury	Remote		Insignificant					
					Remote	Unlikely	Possible	Likely	Highly Likely
