

Whole School Carer/Parent Review Day – Tuesday 5th April 2022

10th March 2022

Dear Carer/Parent

As per previous communication, our Whole School Carer/Parent Review Day is taking place on **Tuesday 5th April 2022, 9.00am - 3.30pm**, to coincide with our Easter Fair.

Over the past two years we have had limited opportunity to invite carers/parents into school to discuss the academic reports, progress and any other specific need of our pupils. This is an opportunity for you to come to Danesgate for an appointment with your child's teacher, in order to discuss your child's progress. The appointments will last approximately half an hour and will cover both academic and social progress.

A reminder that there is no school for pupils on this day. Key Workers will be in touch with families to arrange appointments individually.

The Easter Fair will be running alongside the Carer/Parent Review Day with stalls, activities and an information stand for York Inspirational Kids – a networking group for parents of children with special and additional needs will be on hand to offer support and answer questions.

As ever, if you have any queries regarding these, or any other issues, please contact your child's key worker or contact us directly at Danesgate.

Sincerely

Mark Richardson, Head Teacher
